Marvel Zombies Vs.
The Army of Darkness

Zombies Healthier Than Ever at Marvel, Dynamite

For beings who are supposedly dead, defunct, decayed, and decrepit, zombies appear to be in robust health both at Marvel Comics and at Dynamite Entertainment. In fact, the undead are showing so much vitality that they're being resurrected in a limited series co-produced by both companies—a series that will also bring together two zombie milieus in one crossover tale.

And just in case you can't figure out which two worlds we're talking about, the title answers all: ***Marvel Zombies Vs. The Army of Darkness.*** Yep, that's right—Ashley J. Williams is about to confront superpowered zombies!

How did it all come to pass? "*Nicky Barrucci* came to us with the idea,"*David Gabriel*, Marvel's VP of sales and marketing, said. "It seemed a *perfect* match, especially given the runaway success of the ***Marvel Zombies*** series." Negotiations to turn the concept into a crossover series began in earnest "probably four or five months ago... about the time that we started planning the ***Marvel Zombies*** sequel" that ***CSN*** told you about several issues ago.

While the March-debuting book is being produced by Dynamite Entertainment, "Marvel is publishing and distributing, and we're both sharing the marketing chores" Gabriel said.

Marvel Zombies fans might be a bit disappointed to learn that ***Zombie***-meister *Robert Kirkman* won't be writing the series—but that doesn't mean that he's not involved in its creation. "Robert Kirkman is advising on the entire series so that it fits into the continuity that was established in other ***Marvel Zombies*** stories," Gabriel said. "He is working with writer *John Layman*, who is really handling the scripting and plotting on his own. Robert is making sure that the ***Marvel Zombies: Dead Days*** one shot that will come out mid 2007 and sets up the new ***Marvel Zombies*** limited, will tie together perfectly with this crossover. The art is being handled by *Fabiano Neves* and the now traditional ***Zombie*** covers by *Arthur Suydam."*

Both companies are involved in production of the series. "After Dynamite goes over the scripts, they send them over to editors *John Barber* and *Ralph Macchio*, who then go through their own process with them," Gabriel said. "We also share approvals on art—and so far, I hear, the art is *beautiful* and it's been quite an easy process."

Just where does ***Marvel Zombies Vs. The Army of Darkness*** fit into zombie-nuity? "? This series is more of a prequel to the last year's ***Marvel Zombies,"*** Gabriel said, "but does follow events pretty closely. I guess we've created a new ***Zombie*** continuity with all these stories."

As *Nick Barrucci* explained, the series not only fits into ***Marvel Zombies*** continuity, it also ties into ***Army of Darkness*** continuity! "The whole thing is set into motion in the final panels of ***Army of Darkness #13,"*** Barrucci said, "and that leads directly into the crossover. The end of this story will lead right into the ***Ultimate Fantastic Four*** story arc that introduced the Marvel Zombies."

And for those who are mapping out the interlinked continuity, the story will also take place concurrently with the upcoming ***Marvel Zombies: Dead Days*** prequel that *Robert Kirkman* is writing for Marvel that "shows how everything (or a lot of things) went down ...who turned who into zombies and how," Kirkman said. "This prequel occurs concurrently with the ***Marvel Zombies Vs. The Army of Darkness*** limited series. You'll see characters do something in ***Zombies Vs. AoD*** that shows how and why they're doing something in the prequel.

"Both can be read separately with no confusion... but if you read *both*, you'll see how She-Hulk got to the Baxter Building instead of her just showing up—and you'll see Spider-Man go on an adventure with Ash shortly before getting turned into a zombie, instead of just seeing him turned into a zombie. My prequel starts with Spider-Man swinging at you—bitten... In ***Marvel Zombies Vs. Army of Darkness,*** you see Spider-Man get bitten. It's things like that."

And as crucial as this story is to the ***Marvel Zombies*** canon, it's equally crucial to ***Army of Darkness.*** "It is *absolutely* a ***Marvel Zombies*** story, and it is *absolutely* an ***Army of Darkness*** story," writer *John Layman* added. "Fortunately, I think there is a lot of overlap, because they both contain a generous (even excessive) heaping of humor with horror, comedy with the grotesque. This is a story of a guy who is used to fighting the undead, who is used to being a hero, flung into a strange universe full of heroes ...heroes who are not only all crazed flesh-eating zombies, but ones with hundreds of different crazy super-powers."

Kirkman was quite enthusiastic about the idea of bringing the two worlds together. "I've always been a big fan of ***Army of Darkness*** since I first bought it on VHS a long time ago and watched it every night before going to sleep during my senior year of high school," Kirkman said. "I think people are well aware of how much I love zombies... a love that also extends to the 'Marvel' variety. This is a very good story that *John Layman* has concocted, and I'm anxious to see it all come together.

"I'm on hand to ensure that this story weaves in seamlessly with the ***Marvel Zombies*** prequel one-shot I've written [a oneshot that will be illustrated by ***Marvel Zombies*** artist *Sean Phillips*, with the prerequisite zombified cover by *Arthur Suydam*], ensuring that this will be a cool read alongside that. I've advised John on what characters he could use, ones he couldn't, and where everyone is at this point in the time line. John has taken that ball and run with it ...I expect it to be a slam-dunk."

Layman described the story as an archetypal ***Army of Darkness*** story that shows Ash facing "impossible odds, and up against horrific adversaries... But for ***Marvel Zombies*** fans, it's another look into the hilariously twisted world of man-eating zombie superheroes, shown from almost a ***Marvels***-style man-on-the-street perspective as the infection spreads out of control. Only, in this case, the man-on-the-street happens to be Ashley J. Williams, vanquisher of the Necronomicon's Army of Darkness, who defeated evil in several different millennia in several different realities. Now he's in the Marvel U. It's him and his chainsaw vs. hundred of zombie superheroes..."

Where does the story go from there? Well, you've seen the next phase in ***Ultimate Fantastic Four*** and ***Marvel Zombies***—but the story is far from over. Kirkman is already working on a *second* ***Marvel Zombies*** limited series that will also be illlustrated by *Sean Phillips.* "I've already started writing it and it's going to be crazier and grander than the first mini," Kirkman said. "It takes place on a larger scope and it's going to bring in some of Marvel's best space characters that didn't appear in the first mini. Thanos, Gladiator, and others appear - but it's not a cosmic story... Figure that one out!"

The Marvel Zombie resurrection begins in March with the release of ***Marvel Zombies Vs. The Army of Darkness***—and from then on, there's going to be very little dead time for these decrepit ex-heroes!

by Cliff Biggers (with Matt Brady)

Courtesy your friendly neighborhood comics outlet!

The following comics and comics-related books are tentatively slated for release on the dates given; if no date is given, the books are tentatively scheduled for release sometime in the month of December. It's very common for items to be delayed for a variety of reasons, so none of these dates are guaranteed. For the latest information on shipping and publishing delays, talk to the friendly folks at the comic shop where you got this issue of CSN! And yes, we are aware that some publishers regularly run an average of a month or so late on many of their titles—nevertheless, we go by the schedules they provide.

NOTE: At the request of many retailers, fans, and publishers, we have added Diamond Comic Distributors' code numbers after the publisher's name for each item; this will assist in placing special orders, etc.

SANDMAN MYSTERY THEATER: SLEEP OF REASON #1 12/13 Vertigo/DC OCT060281 $2.99

John Ney Rieber and Eric Nguyen present a Sandman tale that both honors the classic character and stands as a classic in its own right. This disturbing new miniseries follows the final days of Wesley Dodds and his lifelong love Dian Belmont as they encounter a harrowing fate while traveling in Afghanistan circa 1997. Ten years later, with American troops on the ground in that country, wartime photojournalist Kieran Marshall is forced to take on the mantle of Wesley's former alter-ego, the terrifying crimefighter known as The Sandman
